# BE PART OF THE BAND

### HOW DOES THE PROGRAM WORK?

Students will have a small group tutorial and a full band rehearsal each week.

### WHAT DOES THE PROGRAM COST?

Tuition fees are \$167 a term, which covers both band rehearsals and tutorials. There is also an initial cost (\$50) of a beginner pack, which will contain their tutorial book, music stand, band bag as well as other essential starter items. This will be purchased on enrolment.

### HOW DO WE GET AN INSTRUMENT?

#### Bandemonium Instruments

Bandemonium has a wide range of instruments that can be rented or purchased outright. Once your child has been placed on an instrument, there will be information on our instruments in the enrolment process. Of course, you can source your own instrument!

### COMMITMENT

Learning an instrument is not easy so we ask students to commit to the **whole year** of Training band. Students then have the option of joining the Concert Band. For optimal results students need to practice regularly, attend band sessions and tutorials and enjoy being part of the team.

### I'M IN, WHAT DO WE DO NOW?

- Complete the Band Expression of Interest form and return to school within a week.
- Due to current restrictions, we are unable to do the usual test of suitability. Instruments will be allocated to those who return the form the quickest!
- You will be emailed all the details on how to enrol.
- Your child is ready to start band in 2021!!!
